

TEAM NAVIGATION *for* TRANSFORMATION

TNT (Team Navigation for Transformation) is a 12-week hybrid certification experience for leaders looking to level up their ability to build, align, and lead high-performing teams. Whether you've completed Leadership Flight School or not, TNT is a standalone course designed to deepen your skills in team leadership, clarity, accountability, and transformation.

KEY FEATURES

- Hybrid Format: Two in-person sessions + asynchronous modules + structured peer/consultant interaction
- 12-Week Certification: Focused, strategic investment with a clear start and finish
- Delta Groups: 3x 60-minute virtual meetings led by Bartell consultants for clarity, coaching, and accountability
- Capstone Deliverable: A real-world Team Navigation Plan you'll develop and present
- In-depth assessments of your team to inform your leadership

WHO SHOULD ATTEND

- Team leaders at any level
- Leaders ready to move from individual contributor to team architect
- Leaders who thrive with structured peer input
- Organizations seeking *Multipliers*: Leaders who elevate others

WHAT YOU'LL LEARN

- Bartell Certification in Team Navigation
- A strategic, real-world Team Navigation Plan
- Deeper self-awareness, clarity, and team impact
- A network of peer leaders across industries
